

## 7<sup>TH</sup> AND 8<sup>TH</sup> GRADERS PURCHASE JERSEYS

Proposal: The 7<sup>th</sup> and 8<sup>th</sup> Graders get to purchase their jerseys

Cost: \$50 Can sell raffle tickets for this

Purpose: Over the years I here about the players wanting to purchase there jerseys and ever year the board has said no.

In the past the thinking was either everyone has to purchase the jersey of no one can because we won't be able to monitor if a jersey was purchased or kept easily. Now with the fundraising we can have all the 7<sup>th</sup> and 8<sup>th</sup> graders fundraise the money for the jersey.

Benefits:

The player gets to keep the jersey and wear year around.

It will allow us to give the JV and Varsity a different look from the other teams

If players purchase the jersey in 7<sup>th</sup> grade they can use it in 8<sup>th</sup> grade (maybe see negatives)

We will have the jerseys screen printed with their name on the back saving parents \$10 a piece.

Players can have more control over the number they wear

NEGITIVES:

If we choose to change the jersey style, a player outgrows their jersey, it fades in color, it gets ripped or any of another hundred things that could happen to a jersey a parent would have to purchase another one for the 8<sup>th</sup> grade year. We will have extra jerseys ready to go if something happens during the season without cost to the parent.

We will have to shut registration down early perhaps the second week of August so we will have jerseys ready by the first game.
